WFF Global: SPAC Virtual Event

April 16, 2021 | Issue No. 122

Next week, Women in Fund Finance Global will host a two-day virtual event examining the white-hot SPAC market. Day One will cover "What Is Going On in the SPAC Market?" This panel will provide an inside look into the SPAC market from SPAC sponsors who will discuss the investments they are targeting. It will also include views from a SPAC investor as well as provide an investment banking and underwriting perspective. Day Two will feature "The Nuts and Bolts of SPACs" – from SPAC formation to the IPO process to the de-SPACing process. This panel will also discuss what makes a winning team and, after a record-breaking 2020, whether this investment du jour still has room to run.

The events will take place on April 21 and 22 at 11 a.m. EDT. You can register [here](#) and [here](#).
