

FUND FINANCE FRIDAY

FFA's NextGen North America Event

December 17, 2021 | Issue No. 156

FFA NextGen North America last week held its first in-person networking event since the pandemic. Thirty young professionals representing funds, banks and law firms were able to reconnect and make new connections over a cocktail-making class. It was great seeing everyone, and keep an eye out for NextGen events in 2022!
