January 7, 2022 | Issue No. 157

Cadwalader's Fund Finance practice has expanded its leadership team with the naming of partner Wesley Misson as Head of Fund Finance, U.S., and London-based partner Samantha Hutchinson as Head of Fund Finance, UK.

Both Wes and Sam are widely recognized as leaders in the fund finance space who have helped shape the sector and drive its growth, including, most recently, in the emerging areas of ESG-linked facilities and back-leverage structures. Over their several decades of combined experience, they have advised clients on many of the market's largest and most complex subscription and leverage deals.

Their newly created roles reflect the continued growth of Cadwalader's Fund Finance practice, which has experienced 13 straight years of growth and comes off a year of over 25% YoY growth.
