Samantha Hutchinson Recognized in 2022 IFLR1000 Women Leaders Guide

April 8, 2022 | Issue No. 170

Cadwalader's Samantha Hutchinson has once again been recognized as an industry leader among the IFLR1000 Women Leaders.

The 2022 annual [guide](#) (representing the fifth edition) features “an exclusive group of lawyers with outstanding reputations within their markets who either have expertise and experience of working on complex deals, or who have risen to hold leadership roles with their firms or their practices.”

We are especially proud that Sam is the “Featured Woman Leader” in the guide's UK section, where she is described as “incredibly well known in the market for her work in fund financing, specifically with subscription and leveraged deals, though she has experience across all fund finance products.”

Congrats to Sam and all the deserving honorees!
