Celebrating Together: Fund Finance Team Reunions

September 16, 2022 | Issue No. 192

This week, the Cadwalader and Wells Fargo fund finance teams celebrated the end of summer as well as our long-standing partnership. The teams gathered in New York and enjoyed a luau theme and toasted to “capital call” cocktails.

In fact, we were fortunate to gather with a number of clients in New York this week. It has been wonderful re-connecting in person again, and we look forward to many more of these gatherings to come.
