

# FUND FINANCE FRIDAY

## Exploring the Current State of Private Credit Markets

May 26, 2023

FFA's US NextGen will host a June 6 panel discussion on the latest trends in private credit. The discussion will take place at the offices of Reed Smith in New York at 599 Lexington Avenue.

Panelists will include the following: Christina Bohm, Principal, PJT Partners; Aleem Naqvi, Vice President, Wilshire; Gopal Narsimhamurthy, Managing Director, KBRA; Jorge Grafal, Vice President, Goldman Sachs Asset Management; and Filip Malaric, Senior Vice President, Aksia.

The panel will focus on the fundraising and deployment trends across different private credit asset classes. The panelists will also be discussing the impacts of the imbalance of demand and supply in fund finance and hot topics among private credit LPs, deal participants and GPs.
