

# FUND FINANCE FRIDAY

## Apply Now - Join EMEA NextGen Committee

March 1, 2024

### Join the EMEA NextGen Committee

Apply Now! The Fund Finance Association are actively recruiting new members to join the NextGen committee in the EMEA region.

The NextGen initiative serves as a platform tailored to the advancement of junior professionals in the fund finance industry, ranging from entry-level positions to Vice Presidents and Senior Associates. Collaborating with our Executive Committee, the NextGen organizes educational seminars and networking events aimed at fostering growth and connectivity with our industry's emerging talent.

The NextGen initiative operates in the European region with plans to run events on a quarterly basis.

If you are interested in joining, please carefully assess if you can dedicate the necessary time and energy to contribute to the successful planning and execution of these impactful events.

Committee Members are required to:

- Join our monthly committee call (45 minutes)
- Lead the execution for two events per year in your location (typically, teams will work in pairs)
- Assist with fundraising efforts for the FFA in the European region

Please submit your interest by March 22nd by filling out the form linked [here](#).
