October 18, 2024

LAWDRAGON

Congratulations to Fund Finance partners Leah Edelboim, Brian Foster and Wes Misson, who have been named to the “[2025 Lawdragon 500 Leading Dealmakers in America](#),” published today.

According to *Lawdragon*, the list honors the U.S.’s top lawyers who “are the beating heart of business in the U.S. and far, far beyond. To be a dealmaker in 2025 is inherently international, so the past year has been full of uncertainty and a fair amount of chaos, as well as the ever present intersection of opportunity, risk and reward.”
