Fund Finance Hiring

- Signature Bank seeks to add a Relationship Specialist in its Fund Banking Division. Focused on providing personalized banking services to financial institution customers, the position will be based in New York. Candidates should bring a minimum of five years of financial services experience demonstrating high-level client support. Interested applicants can find more information [here](#).
- National Australia Bank is seeking an Associate to join its New York-based Fund Finance team. The role will include supporting origination, structuring, credit submissions, and portfolio management across private equity and publicly listed funds. Key products include subscription finance, hybrids/NAVs, redemption facilities and foreign exchange. For further information please contact Alex Bolton (alex.bolton@nabny.com) or Nick Woutas (nicholas.woutas@nabny.com).
- Cadwalader has opportunities for both associates and staff attorney applicants to join the firm's Fund Finance practice in Charlotte. More about those opportunities and a link to apply are available [here](#).
