Fund Finance Hiring

The Cadwalader New York office seeks an associate to join its highly regarded Fund Finance practice for a position specializing in Fund Finance and Derivatives. The ideal candidate will have 2 – 5 years of experience in a corporate transactional practice, such as mergers and acquisitions, corporate finance or secured lending. Familiarity with derivatives is helpful but not necessary. The associate would join a growing practice active in a diverse range of secured lending and derivatives transactions involving leading commercial and investment banks and top-tier hedge funds, private equity funds and registered investment companies. A successful candidate will have strong drafting and client communication skills, as well as a desire to manage client relationships and move transactions forward independently. J.D. and NY Bar admission required. If you are interested in applying for this position, please click [here](#).
