## Carey Olsen on Security Perfection in the Cayman Islands

June 7, 2019 | Issue No. 32

Law firm Carey Olsen this week published *Capital Call Security Perfection in the Cayman Islands—Who, How, What, When and Why*. A concise overview of both the process for and the reasons behind the steps for Cayman security perfection, the article is both a helpful refresher and a good addition to the file library for when those questions inevitably arise. The article is available [here](#).
