FFA Announces Virtual Week

July 31, 2020 | Issue No. 88

The Fund Finance Association this week announced the inevitable: that the European and Singapore conferences scheduled for the fall will be converting to virtual. The FFA is going to host “FFA Virtual Week” (sort of like The Discovery Channel’s Shark Week?), which will include web-based programming for all regions spread across a single week. The FFA will be releasing dates and more information in the near future.
