

FUND FINANCE FRIDAY

PEI's Focus on Secondaries

September 4, 2020 | Issue No. 93

Private Equity International's September issue focuses on secondaries and takes a look at how leverage is affecting secondary fund managers during COVID-19 and the liquidity solutions available to these managers. *PEI* also discusses with Partners Group's Evelyn Zhang how COVID-induced market dislocation has created opportunities for secondary funds but that not all opportunities are created equally. The article is available [here](#).
