October 23, 2020 | Issue No. 100

Bill Ackman, the CEO and Portfolio Manager of Pershing Square Capital Management, L.P., will give the keynote address at this year's Finance Forum. Ackman is also the Chairman and CEO of Pershing Square Tontine Holdings, Ltd., a newly organized SPAC that raised \$4 billion in its initial public offering in July, making it the largest SPAC IPO in history. The Finance Forum takes place virtually on the afternoon of November 12th.

Join us for a can't-miss conversation between Ackman and Cadwalader partner Stephen Fraidin covering the current state of the financial markets, implications of the presidential election, the resurgence of SPACs in 2020, and more.
