### **Private Funds CFO: The Emergence of ESG-Linked Subscription Facilities**

April 2, 2021 | Issue No. 120

Graham Bippart, the Editor at *Private Funds CFO*, this week published a cover story for the April/May edition that provides in-depth coverage and analysis of the emergence of ESG-linked subscription facilities. As he often does, Graham really dug in and has produced a thoughtful and well-researched piece. We recommend its reading to anyone interested in the market. The subscription-required article is accessible [here](#).
