

CADWALADER

Hello September

September 1, 2023

To celebrate the end of summer and recharge our batteries for an exciting and busy fall season, *Fund Finance Friday* will resume publication next week (September 8).

In the meantime, we wish our U.S. clients and friends the best for their Labor Day holiday; and a safe and restful weekend to those around the world. On behalf of everyone at Cadwalader, we thank all of you for your continued interest in and support of *Fund Finance Friday*.
