

Virtual 5th Annual Finance Forum Set for November 12

Cadwalader's fifth annual Finance Forum will be held virtually this year on Thursday, Nov. 12.

The event will once again feature live panel sessions with leaders in U.S., UK, Europe and international commercial real estate, fund finance, middle market lending, distressed finance and securitization. Panelists will discuss the pressing issues and latest transactional and regulatory developments in their markets, providing key insights made more important by the uncertain environment.

Last year more than 500 industry leaders participated in the Finance Forum in Charlotte, and the numbers are expected to rise this year with the all-virtual format.

There is no charge to participate. Please contact [Cori Niemann](#) for more information.
